

DHCD Jack A. Proctor Virginia Building Code Academy 2013 Academy Schedule

The Jack A Proctor Virginia Building Code Academy (VBCA) announces its **2013** calendar year schedule effective January 1, 2013. This schedule provides all required courses for certification during the calendar year. Lodging and lunch may be provided based on course type and program length – refer to the course description for more information specific to each course or program offering. This schedule continues to include certification programs available through the Fairfax County and Prince William County Building Code Academies as well as a number of specialty programs approved for continuing education. Please note all offerings are subject to change or cancellation based on enrollment of 15 persons or fewer or as otherwise indicated, based on program need or instructor availability.

For more information or for course registration please visit our website:
